Robin – I changed WAF 1 for the # of hours for Risk Assessment support from 75 to 70 hours. This puts the total for WAF 1 at \$83,837 for a total of the 2 WAFs of \$149,964. I had to make the change in my email that I sent you on June 25th as b/c of this synchronization thing none of my Windows Explorer files are available – all disappeared!. So hopefully this will work as I am handicapped today until this synchronization is completed.

Robin – Attached is the FINAL version of the SOWs for each WAF and an IGCE for each WAF. If you have any questions, please let me know. I'm out tomorrow but in on Monday & Tuesday.

Mary Darling had a couple of minor changes to the SOW for WAF #1 so please don't use the version I sent you earlier today. Thanks.
